**Seamico penetrates International Market Joins M&A International Inc. as Alliance Partner in Thailand To Boost Investment Banking Business Emphasizing Seamico’s “Values Beyond Money” Strategy**

**Bangkok - Seamico Securities Public Company Limited has joined M&A International Inc., the world’s leading alliance of M&A advisors, in order to boost its investment banking business as well as create value for Seamico clients, emphasizing its “Values Beyond Money” Strategy.**

**Mr. Chaipatr Srivisarvacha, Executive Chairman & Chief Executive Officer, Seamico Securities Plc., stated that “Seamico is very pleased to have joined M&A International. Our alliance with M&A will enable Seamico to provide our clients with the highest quality M&A service as well as access to value-enhancing transactions from around the world. This alliance will also help us to expand our investment banking business and enable Seamico to realize our “Values Beyond Money” strategy. Currently, Seamico is the only Thai alliance member in M&A International.**

“Seamico plans to continue to penetrate international markets in order to expand our core businesses. We will remain aggressive, yet focused, as we identify and seize investment opportunities which serve our clients and enhance shareholder value.” Mr. Chaipatr added
