

Seamico Expands its Business Line by Launching Derivatives Debentures for up to 1,000 Million Baht And also Offering Rights Warrants to Shareholders

Bangkok – Seamico Securities Public Company Limited expanded its business line by offering derivatives debentures for up to 1,000 million baht and also offering rights warrants to shareholders.

Mr. Chaipatr Srivisarvacha, Executive Chairman and Chief Executive Officer, Seamico Securities Public Company Limited stated that "The Board of Directors approved the program of issuance and offering of Derivatives Debentures for up to 1,000 million baht to investor in order to serve investor's satisfaction as well as increase yield enhancement opportunities. Moreover, it would be a tool to facilitate hedging activities for investors which in turn help expand business channels and increase company's income as a whole.

"Furthermore, The Board of Directors also approved the issuance of Rights Warrants offering to the existing shareholders at no cost at ratio 5 old shares per 1 warrant as a substitute for dividend payment, which subjected to be approved by shareholders at the 2008 Annual General Meeting of Shareholders." Mr. Chaipatr added.
